

# Buying an Organ is a Group Effort

**JOHANNUS**

Sweelinck 20 PE

This is a fundraising program that makes it easy for the members of Bethlehem Lutheran Church to achieve a goal of adding this new Johannus organ to the sanctuary. The cost of this organ is divided by 122 (number of keys on the organ). Members of Bethlehem Lutheran Church buy individual keys until there is enough funds to purchase the organ.

A visual barometer shows how close we are to reaching our goal.

This new organ will enhance the music ministry at Bethlehem Lutheran Church. Please contribute to this effort.

**GOAL \$ 21,183**
